The First Amendment to The Self-Determination 638-Contracts Authorization Act Of 2017 to Authorize Contracting with the Federal Government for a BIA Self-Governance Compact and Associated Funding

At a duly called Legislative Regular Session CIX-(109) of the Legislature of the Kiowa Tribe held this 9th day of May, 2026, the following resolution and law was adopted.

WHEREAS, the Kiowa Tribe is a sovereign nation and has been so since time immemorial; and,

WHEREAS, the Tribe exercises full enjoyment of the inherent powers of government, including self-determination and autonomy over internal affairs encompassing Tribe citizens, lands, and resources; and,

WHEREAS, on April 17, 2017, qualified voters of the Tribe ratified the Kiowa Constitution as “the supreme law of the land”; and,

WHEREAS, the Legislature of the Tribe is vested with the authority to pass laws and resolutions authorizing the Chairman of the Tribe to negotiate and enter into agreements and contracts on behalf of the Tribe pursuant to Article IV, Section 6(a) of the Constitution; and,

WHEREAS, the Legislature has identified the need for clarification in statute to the protocols governing pursuit of grant monies; and,

WHEREAS, the Legislature has previously authorized and directed the Chairman to negotiate and execute Self-determination Act contracts, called “638-contracts”, pursuant to the Indian Self-Determination and Education Act of 1975, as amended, PL 93-638 (“ISDEAA”), with the federal government to assume and takeover the administrative functions previously provided the Bureau of Indian Affairs (“BIA”); and,

WHEREAS, the Tribe currently contracts with the BIA to administer multiple 638-contracts with the BIA, and desires to also operate any other new programs that it might be eligible for under a new Title IV Self-Governance agreement; and,

WHEREAS, the ISDEAA also provides for Self-Governance agreements or compacts with the Tribe to aggregate 638-contracts, re-design the programs, authorize funding transfers, and authorize funding carry-over, and the Tribe’s decision to aggregate current and future 638-contracts and turning them into one Self-Governance agreement represents a continuation of the Tribe’s self-determination to provide the Tribe with maximum control of federally-funded programs and services, and an exercise of the Tribe’s sovereignty; and,

WHEREAS, the Tribe is prepared to submit, or has already submitted, three years of the Tribe’s financial audits that contain no material audit exceptions as part of its application for a Self-Governance agreement with the BIA, which demonstrates the Tribe’s financial capability.

NOW THEREFORE BE IT RESOLVED, that the Legislature hereby passes the attached law entitled, “The First Amendment to the Self-Determination 638-Contract Authorization Act of 2017 to Authorize Contracting with the Federal Government for a BIA Self-Governance Compact and Associated Funding”, authorizing and directing the Chairman to negotiate and execute a Self-Governance Compact with the BIA on behalf of the Tribe, subject to ratification by the Legislature.

BE IT FINALLY RESOLVED, that the Legislature hereby authorizes the Chairman and his authorized designees to coordinate with the BIA Office of Self Governance, and all other appropriate agencies and organizations for the compilation of all information necessary to negotiate and execute a Self-Governance Agreement, including the authority to execute any and all required documents and take such further action as may be necessary to implement this Resolution and law.
